A LAMENT.

O world, O life, O time,
On whose last steps I climb,
Trembling at that where I had
stood before,
When will return the glory of your
prime?
No more—oh, nevermore!
Out of the day and night
A joy has taken flight.
Fresh spring and summer and
winter hoar
Move my faint heart with grief,
but with delight
No more—oh, nevermore!
—Shelley.

BECAUSE a live fish can swim is no reason why one should be a sucker!

RUBBERNECKS were numerous along the Southern Pacific Railroad this week.

No, Percy; an airship is not the only thing that can put a fellow up in the air!

BALL rolled into the senatorial race and quietly rolled out again. Now if the Ram-sey would as quietly butt out of the gubernatorial race his action would be equally as commendable.

ONE of the most profitable fall crops that can be planted is that of turnips. They afford food for both mankind and his domestic animals and with fair seasons grow most successfully in this country.

Pioneer Indian Fighters.

Xavier Wantz of Hondo and Ed Tschirhart of Castroville are representatives of a class now rapidly disappearing from the active scenes of life—pioneer Indian fighters; men who bore the heat and burden of the day and wrested this fair land from the savage. Volumes could be written and the half still be untold of the daring heroism of these veterans of a bloody past when to live was to fight one's way through obstacles that a later generation can scarcely comprehend. But only a brief mention at this time must suffice.

Xavier Wantz came to America from the Fatherland a babe in his mother's arms in 1845. The family settled in Castroville and later moved to Vandenberg, on the Verde Creek, where the lad grew to manhood and where he had many exciting adventures with the Indians who infested this region. One instance is of especial note. In 1867 Mr. Wantz and Joe and Charlie Decker went out on the Hondo prairie six miles from home to cut grass. While camped there Indians came upon them. There were six of them and they were trying to get away with a bunch of horses. Although outnumbered two to one the white men left their camp and followed the Indians. When overtaken they showed fight, charging in Indian fashion and firing a shower of bullets. Seeing the white men would not yield, they mounted their horses and again attempted to make off. About this time Charlie Decker, who was armed with a seven-shot carbine, wounded one of the Indians in the leg. Two of the redskins left their horses at this and took to the brush on foot while the others rode on after the loose horses.

The white men pursued these latter.

Joe Decker saw an Indian sitting on his horse and partially concealed by a clump of bushes evidently waiting to pick off one of them. Decker called to Wantz, who was in front, to look out. Wantz turned his horse and rode around on the opposite side of the thicket and at the same time the Indian rode around from the other way and the two met at the end of the thicket. Wantz raised his gun quickly, but the Indian wheeled his horse into the brush behind some larger bushes, fifty yards distant, and attempted to get away lying down on his horse as he went, thinking, no doubt that he was covered by the brush, he partially raised up. This was fatal for him, for all this time Wantz was watching for his opportunity and fired. At the crack of the gun the Indian's horse jumped out of sight and he could not tell whether his aim had been true or not. Determined to find out, he drew his pistol, and keeping it ready for instant use, rode into the thicket. Here he found the Indian lying dead underneath his horse's neck, having been shot entirely through the body. The Indian presented a gruesome sight. He had on a pair of leggings, a white man's coat and had a buffalo robe tied around his waist. He was armed with a bow and arrows and a long knife, the handle of which was wrapped with rawhide. He wore huge brass rings in his ears. The rest of the party ran off, abandoning seventeen head of horses, which were recovered by the three white men and taken back to the settlement.

While a younger man than Wantz, Mr. Tschirhart had an experience with the Indians that was quite as thrilling as any passed through by the elder man. In 1875, while scarcely more than a boy, Tschirhart was hauling freight for the Government with his brothers, Joe, Louis and Nic, and Louis Ahr. While camped one night on the San Saba, not far from Fort McKavett, the Indians stormed their camp in an effort to steal their horses. It was customary for two of the party to guard the horses and mules at night while the rest of the camp slept. The guard was changed shortly after midnight. Joe Tschirhart and Louis Ahr were on guard during the forepart of the night and noticed in the darkness what appeared to be loose horses grazing near the camp, but had not thought to raise any alarm. Ed and one of the others had just gotten up and taken up their guns to go on guard when gunshots, Indian yells and coyote yelps, the clatter of horses' hoofs and the cry of "Indians! Indians!" by Louis Ahr, on whose side of the camp the charge was made, broke the stillness of the night as the entire commotion headed toward camp. At the first shot by the Indians they had killed Ed's favorite horse, thinking it was the bell animal, and with the bell still they hoped to stampede the animals and run them off. They missed the bell mare, however, and she came to camp with the bell clattering and Ahr and the Indians mixed up in the melee. One Indian rode directly toward Ed without seeing him, his attention being fixed on Ahr and the horses. The Indian was lying down on the side of his horse, firing over his back and yelling like a coyote. But, alas for him, he was on the same side of the horse that Ed was on, and he could distinguish the bulk of the Indian by the flashes of the latter's pistol. Taking aim as best he could in the darkness, Ed fired his Winchester. At the crack of the gun the Indian let forth a yell that was answered in kind by his companions and all withdrew into the darkness and the camp was quiet. Early the next morning the boys followed the trail of the Indians, and a short distance from the camp came upon the dead body of Ed's quarry. The Indian had evidently been the chief of the band. He was armed with a modern pistol and a bow and arrows and carried an immense rawhide shield. He wore his long black hair in two plaits and had rings in his ears and on his fingers. In his belt was the scalp of a white woman and a child whom the heartless savage had murdered.

The present generation owes a debt of gratitude it can never repay to these hardy pioneers, whose battles, similar to these, were innumerable while blazing the pathway of civilization and making this land the abode of peace and prosperity as we know it at the present time.—S. A. Express.

More Than Enough is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by all dealers.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. When you feel dull, out of sorts, discouraged, half sick and everything seems to be going wrong, you can blame it on your liver. It is torpid. You need

HERBINE

A Medicine of Power in All Liver Disorders.

When the liver is torpid, it throws impurities into the system, which hamper every organ in the body. The result is that functional processes are not properly carried on. Impurities get into the blood, the stomach is bilious, the kidneys weak and the bowels irregular—generally constipated. Herbine clears out all these impurities, opens up the obstructed channels, strengthens the torpid liver, cleanses the blood, purifies and regulates the bowels. After the system has been thus overhauled, there is an immediate improvement. Appetite returns, digestion is good, the spirits rise, the mind clears of gloomy forebodings and everything looks bright and cheerful, which means, sound, healthy conditions everywhere in the body.

Couldn't Walk!

"I used to be troubled with a weakness peculiar to women," writes Mrs. Anna Jones, of Kenny, Ill. "For nearly a year, I could not walk, without holding my sides. I tried several different doctors, but I grew worse. Finally, our druggist advised Cardui for my complaint. I was so thin, my weight was 115. Now, I weigh 163, and I am never sick. I ride horseback as good as ever. I am in fine health at 52 years."

TAKE CARDUI The Woman's Tonic

We have thousands of such letters, and more are arriving daily. Such earnest testimony from those who have tried it, surely proves the great value of this vegetable, tonic medicine, for women.

Cardui relieves women's sufferings, and builds weak women up to health and strength. If you are a woman, give it a trial. It should help you, for it has helped a million others. It is made from pure, harmless, herb ingredients, which act promptly and surely on the womanly organs. It is a good tonic. Try it! Your druggist sells it.

When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 21 stamps.

Nic. L. Tschirhart, the Lone Star Saloon man, made a business trip to San Antonio Monday.

Mrs. Jos. Mann Sr. of Idlewild neighborhood moved to our midst Monday.

Mr. Geo. B. Noonan had the misfortune Monday to fall with his horse and bruise his hands and face considerably.

Married: Mr. Alex. Halty and Miss Rosa Hoog were happily married at St. Louis Church on Tuesday morning, October 17th. Rev. Father Heckmann officiated. The attendants were: Mr. Albert Hoog and Miss Theresa Halty, Mr. Frank Zimmermann and Miss Emma Schmitt, Mr. Robert Halty and Miss Katie Kauffmann, Mr. Wm. Hitzfelder and Miss Mary Halty and Mr. Edmund Tondre and Miss Adella Tondre. After the ceremony the bridal party repaired to the hospitable home of the bride's parents, Judge and Mrs. Peter Hoog, where the rest of the day was pleasantly spent in feasting and celebrating the happy event. At night a wedding dance was given at Wernette's Opera House in honor of the young couple.

On Wednesday morning, October 18, Mr. Henry Oppelt and Miss Athalia Reus were united in wedlock at the Lutheran Church, Rev. Walter Kralik officiating. The attendants were Mr. Edwin Balzen and Miss Louise Haegelin. After the ceremony the bridal party repaired to the home of the bride's uncle and aunt, Mr. and Mrs. Emil Haegelin, where a sumptuous wedding dinner was partaken and the rest of the day was again pleasantly spent in feasting and celebrating the happy event. We join their many friends in wishing both young couples a long, a happy and prosperous married life.

The Farewell Tackey Dance given at Nic Tschirhart's Pavilion on Wednesday night, in honor of the Misses Pinn, was a most enjoyable affair, and was largely attended. Mrs. Ed Hans took the prize as the tackiest lady and Mr. A. E. Halbardier secured second prize.

Mrs. T. H. Hupp, proprietress of the Lone Star or Commercial Hotel and family moved back to their former home in San Antonio, Thursday, and Mrs. Rosa Biediger took charge of said Hotel the same day.

Mr. and Mrs. Vonfle left Thursday on a several days visit to kinkoils and friends at, and near Devine.

Mr. Hy. Burell and family moved to the Paschal place Thursday.

The sad news reached here Friday that Mr. Andrew Brieden had died at his home near Devine the previous night. Deceased had scores of friends here. We join in sympathy with the bereaved ones. R. I. P.

A light rain fell here Saturday followed by a brisk norther. The first frost of the season was registered Sunday morning.

A goodly number from here attended the Kaffee Klatche given at Lacoste on Sunday for the benefit of St. Mary's Church. The Castroville Brass Band furnished sweet music for the occasion. According to report it was a swell affair, both socially and financially.

Assessor H. B. Taylor of Hondo was noted on our streets Sunday evening.

Mr. Geo. Hay of Bandera spent several days of the week with his Castroville friends.

Castroville, Oct. 23, 1911.

EARTH WEARS DUST BLANKET
Increases Temperature in Daytime and Checks Fall of Temperature at Night.

When the air is very thick and hazy it may contain floating dust particles to the number of from 10,000 to 20,000 in every cubic centimeter, while a cubic centimeter of very clear air may contain only from a dozen to a few hundred particles.

An English observer's data indicates that there is a relation between the quantity of dust and the temperature of the air. A great amount of dust, it is thought, increases the temperature in the daytime and checks the fall of temperature at night.

The reason is that the presence of dust serves as an obstruction to the free radiation of heat through the air. The sunbeams pass through very pure, clear air without lending much heat to it, and at night the heat received by the ground during the day readily escapes through the same air; but if the atmosphere is heavily laden with dust, the sun's rays are partially arrested by the particles which, becoming heated, in turn warm the air, and in like manner heat radiated from the earth at night is retained in the hazy layers of air in contact with its surface.

Without its atmosphere, which serves as a coverlet to protect it against the fearful cold of space, the surface of the earth would be frozen like that of the airless moon. But the data gathered by reliable observers show that the atmospheric blanket wrapped around our planet varies in its power to retain heat in proportion to the amount of dust particles that it contains.—Harper's Weekly.

The Air Ship.

The first airship in the history of aviation passed over Hondo at 3:01 o'clock Tuesday afternoon when Cal P. Rodgers flew over the town in his Wright Bi-Plane on his across-the-continent flight from New York to San Francisco. The airship was visible to the naked eye for about fifteen minutes from the time it was discovered approaching from the east until it disappeared in the west. It was high in the air; so high, in fact, that nearly every one regardless of what part of town he was in thought the ship passed directly over his head. When passing over town the whir of the motor could be distinctly heard and the name Vin-Fiz was plainly visible.

People had been watching for the airship for two days, and some were beginning to conclude that it would not come. The delay was caused from the late start Rodgers got out of San Antonio. He left that city at 12:43 o'clock Tuesday afternoon. At Lacoste he was compelled to alight on account of some trouble with the machinery and spent some time there adjusting things. From Lacoste he flew directly to Sabinal where he gave an exhibition flight and then went on to Uvalde where he repeated the performance, and reached Spofford at 6:05 o'clock where he stopped for the night and to make repairs. Here he was indefinitely delayed by an accident while trying to resume his journey Wednesday morning.

When passing over Hondo the machine was traveling as prettily as one could imagine. It was going in a due westerly direction as straight as a bee could fly and without a wobble or swerve.

The special train bearing members of Rodgers' family, mechanics, aeroplane repairs, etc. passed through here about thirty minutes behind him.

Cooke's Trip to North Pole.

Tonight (Saturday Oct. 28th) the Hondo Lyric Theatre will exhibit the picture drama of the age, "The Truth About the North Pole," an absorbing drama-film of the far north in which the noted explorer, Dr. Frederick A. Cooke, assisted by an eminent cast of prominent pantomimists, reproduces his memorable trip. Dr. Cooke himself appears in Polar raiment together with esquimo, native dogs and sleds, while other prominent characters in the controversy, including "The Arctic Trust," Barrill, who figured in the Mt. McKinley attack, the commander of the Roosevelt and his man, Murphy; Cooke's man, Francke and Whitney; the friend of Cooke, are all impersonated by experienced dramatic artists.

This picture was shown in New York, Manhattan Opera House, fourteen nights. It is interesting, scenic and educational. Every man, woman and child should see these great pictures.

At this exhibition nearly four thousand feet of picture film will be shown and on account of the high cost of this feature, the Lyric is compelled to raise price of admission to adults 20c and children under 12 years of age 10c. Two complete shows. If you cannot get in at first show wait for the second which will begin immediately after the first.

The Piano Contest.

The Anvil Herald has put on something new in its own experience but something that has been successfully tried by papers elsewhere—the giving away of a piano to the most popular young lady in Medina County. The piano is now on exhibition at Schmitt & Steinhardt's furniture repository where all are invited to call and see it. In addition to the piano there are sixteen due bills that will be given to the sixteen young ladies receiving the next highest number of votes and to the next one we will give a valuable sewing machine. Think of it, eighteen valuable prizes to be given to as many young ladies in Medina County.

Any young lady in the county is eligible. Read display advertisement elsewhere for further particulars. Cut out the nomination blank, fill it out or have it done by some friend and send or bring it to this office where it will be deposited in a locked box and properly accounted for. Don't delay. Remember eighteen young ladies are going to get prizes. You may be the lucky one to get the first prize.

Watch this paper for further details of the contest, and don't forget the free voting coupon.

Devoe Saved Them \$140

The Fair Ground buildings, Cobleskill, N Y, were painted Devoe last year.

Two other-paint agents said the job would take 150 gallons (their price was 15 cents less a gallon.)

Devoe agent said not over 125.

It took 115. Saved 'em at least \$140 on paint and labor.

The American House, Tannersville, N Y, was painted two coats last year; not Devoe.

Mr. Charles Haner, across the street, put-on one coat Devoe.

Mr. Wiltse (American House) is sorry he didn't paint Devoe. Haner's one coat was better than Wiltse's two. Depends on the paint.

Philathea Class Meeting.

On Tuesday afternoon the Philathea class met at the home of Mrs. Roland Chaney.

After the class was called to order by Mrs. Barnes, the president, Rev. Darby led in a short prayer. The secretary having read the minutes, which were approved, regular business was taken up.

The treasurer's report showed several dollars in back dues outstanding which, when collected, will put a tidy sum in the treasury.

Members responded to roll call with verses from the bible containing the word inspiration. The lesson, which was conducted by Rev. Darby, proved to be an interesting one, the subject being "The Story of the Bible". As the chapters in this book are somewhat short it was decided to take two for the next lesson instead of one, as has been the usual custom.

After the lesson study the president entertained the class with a "take quiz". During the social hour the hostess, ably assisted by Miss Alice Newton and Mrs. Tom Holloway, served a delicious salad course, consisting of fruit salad, sandwiches, olives and hot chocolate with whipped cream.

The class departed late in the afternoon, each member thereof giving expression to the delights and pleasures of the occasion. Those present were: Mesdames Will and Tom Holloway, King, Horger, Barnes, Newton, Goff, Garwood, Posey and Misses Linnie and Lora King, Mae Rountt, Alice Newton, Lina Beal, Lois Elder and Rev. Darby.

The next regular meeting will be held with Mesdames Meriwether and Goff on Tuesday afternoon, Nov. 7th, at 3:30 o'clock.

Andrew Brieden.

The subject of this sketch was born in March 1838 in Alsace, Germany. He came to America in March 1846 with his parents who settled at Vandenberg. Later they moved to the Seco. In 1865 he was married to Miss Josephine Ludwig, who with their eight children, six girls and two boys, survive him.

He died at his home at Devine at one o'clock A. M., Friday, October 20, 1911, of rheumatism of the heart after an illness of only two days. The remains were interred in the Devine Catholic Cemetery in the evening of the same day, the pastor of the Devine Catholic church performing the service.

The deceased was an elder brother of Messrs. Leopold Brieden of this place and Joe Brieden of Castroville.

The Anvil Herald joins in sympathy for those who mourn.

Calomel Sometimes Causes Salivation

Dodson's Liver-Tone Has All the Medicinal Properties of Calomel With None of the Dangerous After-Effects.

You can get, along without taking calomel yourself or giving it to your family when you can buy a substitute for it as good as Dodson's Liver-Tone. Dodson's Liver-Tone is a pure, harmless vegetable liquid that starts the liver to action just as surely as calomel does. But, unlike calomel, Dodson's Liver-Tone does not stimulate the liver too much. It cures constipation gently instead of making you more bilious than you were at first, and it can no more salivate you than a tablespoonful of maple syrup can salivate you.

Dodson's Liver-Tone has given such perfect satisfaction to every person to whom W. H. Windrow has sold a bottle that this store will give the money back to any person who buys a bottle and does not find it a perfect substitute for calomel. It is worth something to you to try a medicine with a guarantee like that.

Supplement to THE HONDO ANVIL HERALD, October 28, 1911

New Fountain Notes.

BY NARRATOR.
ED. ANVIL HERALD:—Edgar, the two-year-old son of Mr. and Mrs. Chas. Geuea, died at an early hour last Friday morning after an illness of several months. The remains were laid to rest the following day. Rev. H. J. Jordan, pastor of the New Fountain Methodist Church, conducted the last sad rites. The writer joins the many friends of Mr. and Mrs. Geuea in extending to them our sympathy in their sorrow.

Most everybody has been busy planting oats since the rain, which was sufficient to bring the grain up. But more is needed.

A fierce norther accompanied by some rain struck this place Saturday morning and kept the drop in the thermometer low throughout the day. Old fire-places were again brought into use and felt comfortable. A light frost was noticed Sunday and Monday mornings.

Mr. and Mrs. Lee Reitzer were here from San Antonio on a visit to relatives.

Mr. and Mrs. Emil Reitzer of Atascosa county arrived here some time ago on a visit to home-folks. Mr. Reitzer returned home after a week's stay here, while Mrs. Reitzer is extending her visit.

Mr. and Mrs. Ernest Hartmann came up from Yancey Saturday and spent a few days visiting home-folks here. While they have not had enough rain to bring up oats, Ernest says that a good rain fell in the Tehuacana country Saturday.

Miss Hulda Hartmann of Hondo spent the latter part of last week with home-folks.

Mrs. Amanda Muennink is spending time with her sister, Mrs. Chas. Geuea, on the lower Hondo.

Misses Ida and Emily Frerichs of Hondo spent Sunday with Misses Lina and Hulda Hartmann.

While Hondo has several of our New Fountain girls there is one of them in particular who attracts the attention of one of our country boys living several miles west of here, who after calling on her one evening found that his horse had broken loose and wandered away. How he got home we failed to ascertain. Poor fellow!

Born, to Mr. and Mrs. Chas. Stiegler a son and heir, on Monday, Oct. 23. Mother and child are doing well and "daddy" will probably recover.

Mrs. Jacob Breiten is here from Dunlay and is staying with her daughter, Mrs. Charles Stiegler.

Eddie Moeching of the Lower Hondo was here for a few days assisting the writer in planting oats.

It was the roar in the air towards

the south that attracted our attention to the aeroplane that was flying along the Southern Pacific railroad at about 3 p. m. yesterday. Owing to the distance it appeared no larger than a hawk.

E. A. Bohlen is having a house built for his own private use on the premises of his son, Fritz. Louis Metzger and John Lindeburg are building the same.

The patrons of the New Fountain school will give a box supper at the school house S turday night, Nov. 4th. Prof. A. W. Myres and his assistant, Miss Buckholz, have arranged for a program to entertain the public. Ice cream and cold drinks will also be served, the proceeds from which will go to the school. Devote Saved Them \$140

The Fair Ground buildings, Cobleskill, N Y, were painted Devote last year.

Two other-paint agents said the job would take 150 gallons (their price was 15 cents less a gallon.)

Devote agent said not over 125. It took 115. Saved 'em at least \$140 on paint and labor.

The American House, Tannersville, N Y, was painted two coats last year; not Devote.

Mr. Charles Haner, across the street, put-on one coat Devote.

Mr. Wiltse (American House) is sorry he didn't paint Devote. Haner's one coat was better than Wiltse's two. Depends on the paint.

Many things go to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould, of Pittsfield, N. H. Koch is plaintiff and the unknown heirs of Joice and Ellen O'Donovan, are defendants.

The nature of the plaintiff's demand being as follows, to-wit: That the plaintiff is the legal and equitable owner of 791 acres of land, known as Deer Creek, a tributary of the Frio River, about 12 miles South of the town of D'Hanis, in name of Heirs of Joice O'Donovan. Beginning at the N. E. corner of Survey No. 787, Section No. 6, for F. A. Mason, for the S. E. corner of this Survey; Thence West 1400 varas to Deer Creek 2113 varas to a stake and mound for S. W. corner of this Survey; Thence North 2113½ varas crossing Deer Creek to a mound of rocks for N. W. corner of this Survey; Thence East 2113 varas to a stake and mound for the N. E. corner; Thence South 2113½ varas to the place of beginning.

Plaintiff says that he has title through Deed from F. B. Webb, as agent for Ellen O'Donovan; and deed from heirs of Joice O'Donovan to D. F. Webb, dated August 2nd, 1866, conveying Certificate No. 58, Class 2nd, issued by the Board of Land Commissioners of Victoria County, for 1280 acres to the said Webb, as agent for Ellen O'Donovan, and the heirs of Joice O'Donovan, which said deed is of record in the Deed Records of Medina County, Texas, in Book A., No. 24, on pages 372 and 373. Deed from

J. M. Carnes, as Attorney in fact for D. F. Webb, to T. J. Johnson, dated September 1st, 1891, conveying the above described land, which said deed is of record in the Deed Records of Medina County, Texas, in Book A., No. 24, on pages 374 and 375. Deed from D. F. Webb, to M. E. Johnson, dated February 22nd, 1891, conveying the above described land, which said deed is of record in the Deed Records of Medina County, Texas, in Book A., No. 25, on pages 213 and 214; and a deed from T. J. Johnson and wife, M. E. Johnson, to this plaintiff, dated May 7, 1895, conveying the above described land, which said deed is of record in the Deed Records of Medina County, Texas, in Book A., No. 27, on page 488.

Plaintiff further alleges and claims that he has good and perfect title to said land and premises, under and by virtue of the Statute of limitation of three years, for the reason that plaintiff, and those under whom he claims by conveyance, have had peaceable and adverse possession thereof under title or color of title, for more than three years prior to the institution of this suit.

Plaintiff further alleges and claims that he has good and perfect title to said land and premises under and by virtue of the Statute of limitation of five years for the reason that plaintiff, and those under whom he claims, have had peaceable and adverse possession of said land and premises, cultivating, using and enjoying the same and paying all taxes due thereon, and claiming under a deed or deeds, duly registered in said Medina County, as aforesaid, for more than five years prior to the institution of this suit; Said deed from T. J. Johnson and wife to plaintiff, dated May 7, 1895, was duly filed for record in Medina County, Texas, May 11, 1895, and duly recorded in Book A., No. 27, on page 488, of the Deed Records of said County; and that all of the other Deeds hereinbefore given as constituting the chain of plaintiff's title to the above described land were filed and duly recorded in the Deed Records of said County, prior to the date of the filing and recording of the last mentioned deed.

Plaintiff further alleges and claims that he has a good and perfect title to said land and premises under and by virtue of the Statute of Limitation of ten years, for the reason that plaintiff, and those under whom he claims, have had peaceable and adverse possession of said land and premises, cultivating, using and enjoying the same for more than ten years prior to the institution of this suit.

Plaintiff brings this suit for the purpose of determining the estate interest, if any, of each and all Heirs of the said Joice O'Donovan, in, in and to said land; and the Court may grant the title to said land and premises unto plaintiff free of any and all claim or claims or of claims of said defendants or of claiming under them so as to set aside and remove all cloud thereon.

Wherefore, plaintiff prays that the Court may grant the title to said land and premises unto plaintiff, be cited by public notice, prescribed by the statutes of this State, and that upon a final hearing that plaintiff have judgment and decree of Court, declaring and adjudicating title to the above described land and premises to be in plaintiff free of all claims in favor of said defendants or any of them, or of any claiming under them and for such legal or equitable, to which plaintiff may be justly entitled.

HEREIN FAIL NOT. "The Liver Pills act So Naturally and Easily."

Such a statement, coming from the cashier of a bank, shows what confidence responsible people have in these pills. Mr. A. L. Wilson after trying them wrote:

"I have used Dr. Miles' Nerve and Liver Pills and also your Anti-Pain Pills, on myself, with good results. The Liver Pills act so naturally and so easily that I scarcely know that I have taken a pill. Frequently being troubled with headache I take an Anti-Pain Pill and get immediate relief in every case."
A. L. Wilson, Sparta, Ill.

Dr. Miles' Nerve and Liver Pills

are different from others. Many kinds of liver pills are "impossible" after one trial on account of their harshness. Dr. Miles' Nerve and Liver Pills do not act by sheer force but in an easy, natural way, without griping or undue irritation. They are not habit forming.

If the first bottle fails to benefit, your druggist will return the price. Ask him.
